I am guessing you have seen in the news that the union has decided to strike effective tomorrow, Monday, February 11. So, I am going to take Monday and Tuesday off to help in my kids' school. Lynne, if I can, I will call into the PBIS data meeting Monday. I did link (into the agenda doc) the spreadsheet of attendance and it is up to date from Coach day 3 and School Level day 3 too. As of this AM we only have 16 completed feedback surveys from Friday. All coaches have completed the coach self assessment and Andrew has that data (I uploaded it to the Syncplicity folder 2 weeks ago). Please let me know if you need anything else from me. I will check email and have my phone if you need anything, feel free to text.

Kim, HOPE online (I AM Academy) has asked me to give a 45 minute PBIS overview to the board of directors for HOPE as they are trying to "sell" PBIS to the whole network. The meeting in March 1. I told the school leader I have a potential conflict with Doug Co MTSS gathering but since we haven't heard back from Laura / Zac, is it okay if I email to ask for more details and let them know I'd like to be able to do this PBIS HOPE presentation if possible? The time window is from 9:30-1PM (it sounds like they can fit me in whenever). Please let me know how to proceed. I am planning to be at their MLT on Wednesday unless all hell breaks loose in my kids' school with the strike.

Thanks!!!
Katy
